

From Bedside to Home: Management of Chronic Illness

Friday, April 7

Iroquois Room
Kankakee Community College
100 College Drive Kankakee, IL 60901

Getting home after a hospital stay is an often-overlooked transition that can leave many patients with chronic illnesses exposed to unnecessary risks. During this conference, you will learn the key elements of successful patient transitions: knowledge, resources, and self-efficacy. Hear firsthand from expert speakers as you discover ways to create empowered patient self-care and improve overall patient experience.
