

Free Continuing Medical Education Training in LGBTQ+ Patient-Centered Care

As part of our commitment to diversity and inclusion, we encourage all staff at Riverside Healthcare to participate in at least one training opportunity with the Health Equity Index.

Topics Include:

- Transgender Health
- HIV and STI Treatment
- LGBTQ+ Youth
- LGBTQ+ Healthcare for Clinicians
- And More!

Contact our DEI Coordinator with any questions!

HR DIV004
HR DIV005

Option 1: The Center for Affiliated Learning ([CAL](#)) offers a range of free online training ranging from basics of LGBTQ patient-centered care to more specialized topics such as serving trans youth. CME/CEU credits are available after completing the training courses.

To complete a course(s), please complete the following steps:

1. Login to your OLIE account and start Course HR DIV004 for detailed instructions.
2. Visit the [CAL](#) log-in page.
3. Click sign-up at the bottom to register.
4. Use the security keyword and refer to the information below for your facility ID.

Option 2: [The National LGBTQIA+ Health Education Center](#) offers over 50 on-demand webinars on a variety of LGBTQ health topics, a number of online learning modules, and a monthly live webinar series, all of which meet the HEI training requirement. The webinars and learning modules offered by The Education Center are free and offer CME/CEU credit.

To complete a webinar(s), please complete the following steps:

1. Login to OLIE account and start Course HR DIV005 for detailed instructions.
2. Visit the [National LGBTQIA+ Health Education Center](#) Log-in page.
3. Refer to these instructions to create a user profile.
4. Use the security keyword and refer to the information below for your facility ID.
