

MedSpeed Logistics: Register for Training Today

We look forward to providing you with best-in-class logistics service to meet your patient and business critical needs, beginning **Monday, February 19th**.

We understand how important it is that your items are delivered to the right place at the right time. Developed with the critical nature of the items we move for your system in mind, and based upon marketplace research and input, MedSpeed's customer portal, MyMedSpeed, is a one-stop shop for all your needs. From printing labels and tracking packages to ordering on-demand service and reviewing scheduled service options, the portal is a simple, comprehensive resource for you and your team.

MyMedSpeed Training Sessions

To help you utilize the MyMedSpeed portal (**riverside.medspeed.com**), we have set up several training sessions. Please review the list below and click on the training session that is most convenient for you in order to register. Feel free to share this information with your teammates.
